3. How to Use the Dashboard Functions
4. How to Use the Team Administrator Functions

All Knoc features are recommended for use within the Chrome browser.

1-1. Listener(PC)

The screenshot shows the homepage of the Elnino AI real-time translation service. At the top left is the logo 'Elnino'. The top right features navigation links: '시작하기' (Get Started), '가격 정책' (Price Policy), '문의' (Inquiry), '대시보드' (Dashboard), and a language switcher 'EN'. Below the header is a button labeled 'AI 실시간 번역 서비스' (AI Real-time Translation Service). The main title '언어 장벽 없는 세상을 만듭니다' (Create a world without language barriers) is displayed prominently. A subtitle below it reads: '분야별 커스텀 모델로 소규모 회의부터 대규모 컨퍼런스까지 어떤 환경에서든 완벽한 번역을 경험하세요.' (Experience perfect translation in any environment, from small-scale meetings to large-scale conferences, using custom models for various fields). At the bottom center is a red-bordered button labeled '통역방 입장하기' (Enter the subtitle room). To the right of this button is a callout box with the text 'Press the button to enter the subtitle room.' In the bottom right corner is a blue circular icon with a white upward-pointing arrow.

All Knoc features are recommended for use within the Chrome browser.

Press the button to enter the subtitle room.

채팅을 입력하세요...

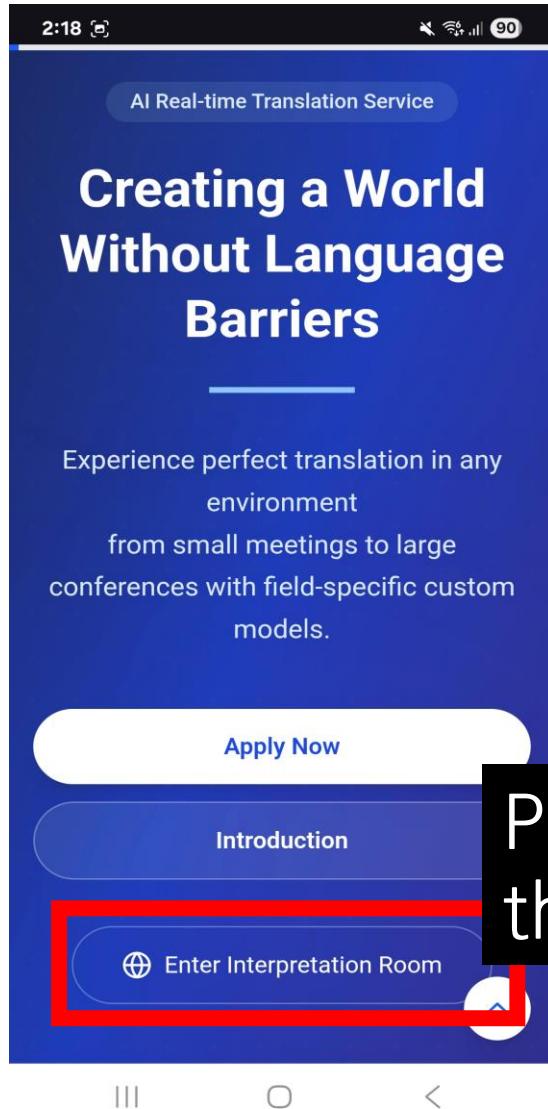

1-1. Listener(PC)

The screenshot shows a dark-themed web-based communication interface. At the top left, there's a small profile icon, the identifier '0124', and language selection buttons for 'English' (with a UK flag) and another language. On the right side, there's a green circular button with a white dot and the Korean text '연결됨' (Connected). The main area features a conversation between two users. The user on the left sent a message '*shiver*' (显示为 *shiver*), and the user on the right responded with 'hello'. A red rectangular box highlights the 'hello' message from the right user. Above the messages, a status message in Korean reads '방에 연결되었습니다' (Connected to the room). At the bottom, there's a text input field with placeholder text '채팅을 입력하세요...' (Enter a message...) and a character count indicator '0/500'.

Both sent and received chats are displayed on the left as shown below, and are translated into each user's language.

All Knoc features are recommended for use within the Chrome browser.

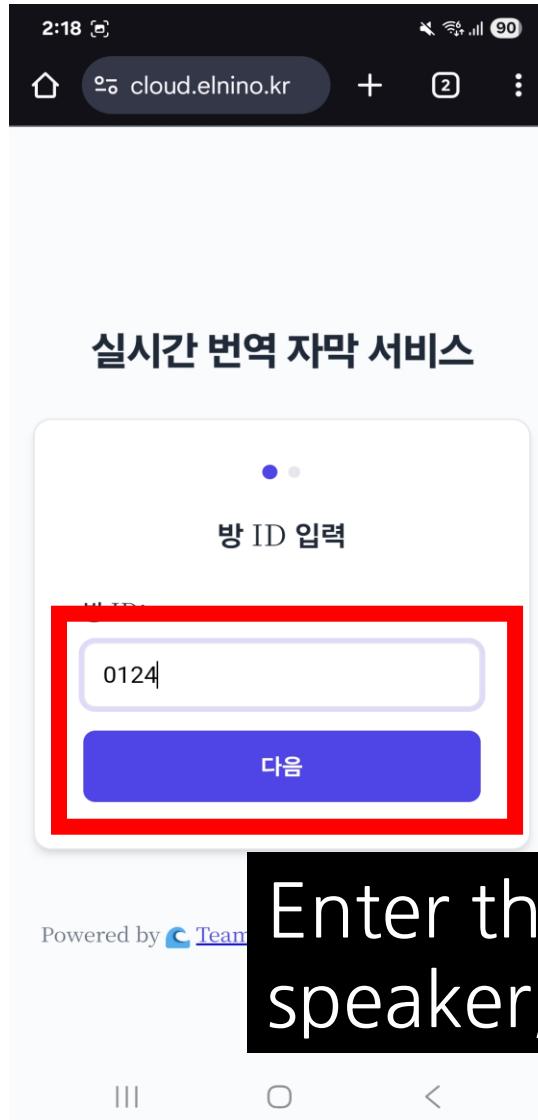

1-2. Listener(Mobile)

Press the button to enter
the subtitle room.

All Knoc features are recommended for use within the Chrome browser.

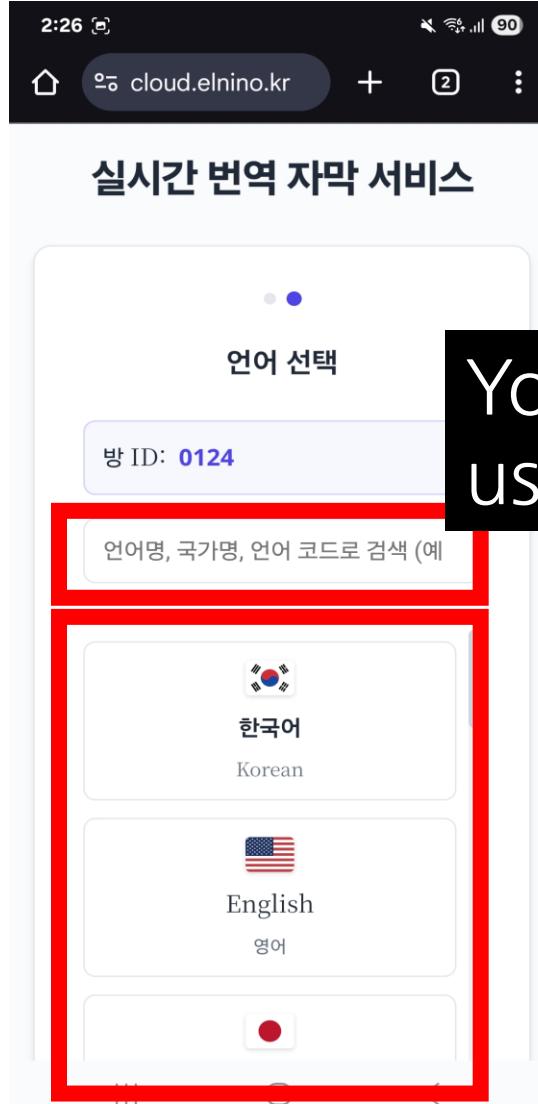

1-2. Listener(Mobile)

Enter the room ID set by the speaker, then click the Next button.

All Knoc features are recommended for use within the Chrome browser.

1-2. Listener(Mobile)

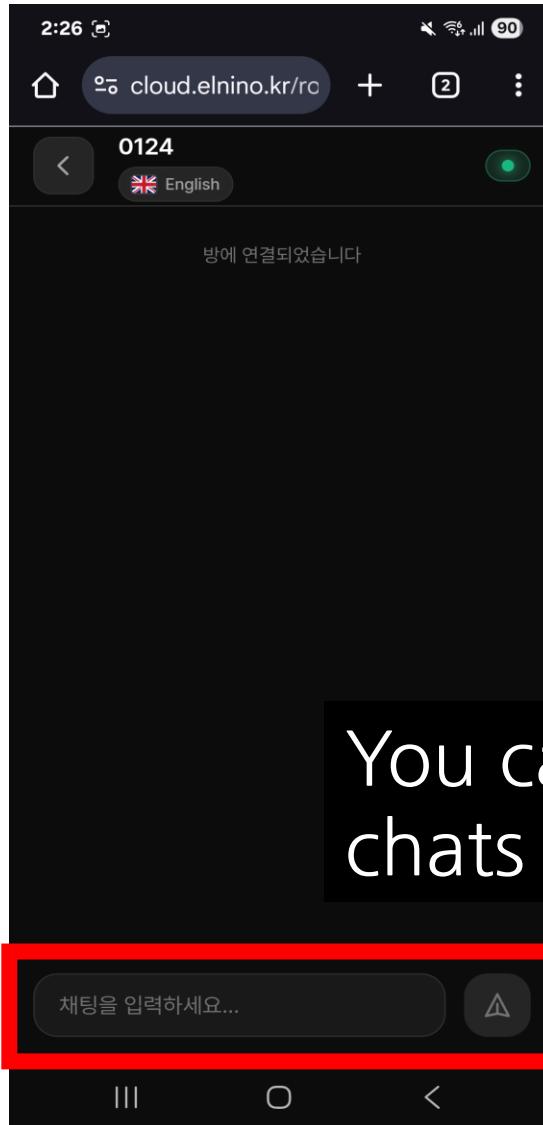

You can browse a language using the search function.

Select your language and click.

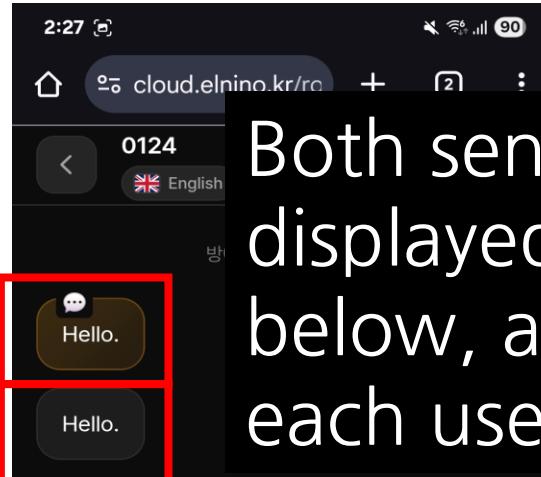

All Knoc features are recommended for use within the Chrome browser.

1-2. Listener(Mobile)

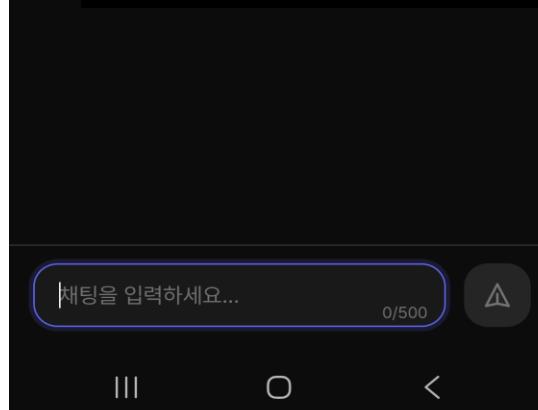

All Knoc features are recommended for use within the Chrome browser.

1-2. Listener(Mobile)

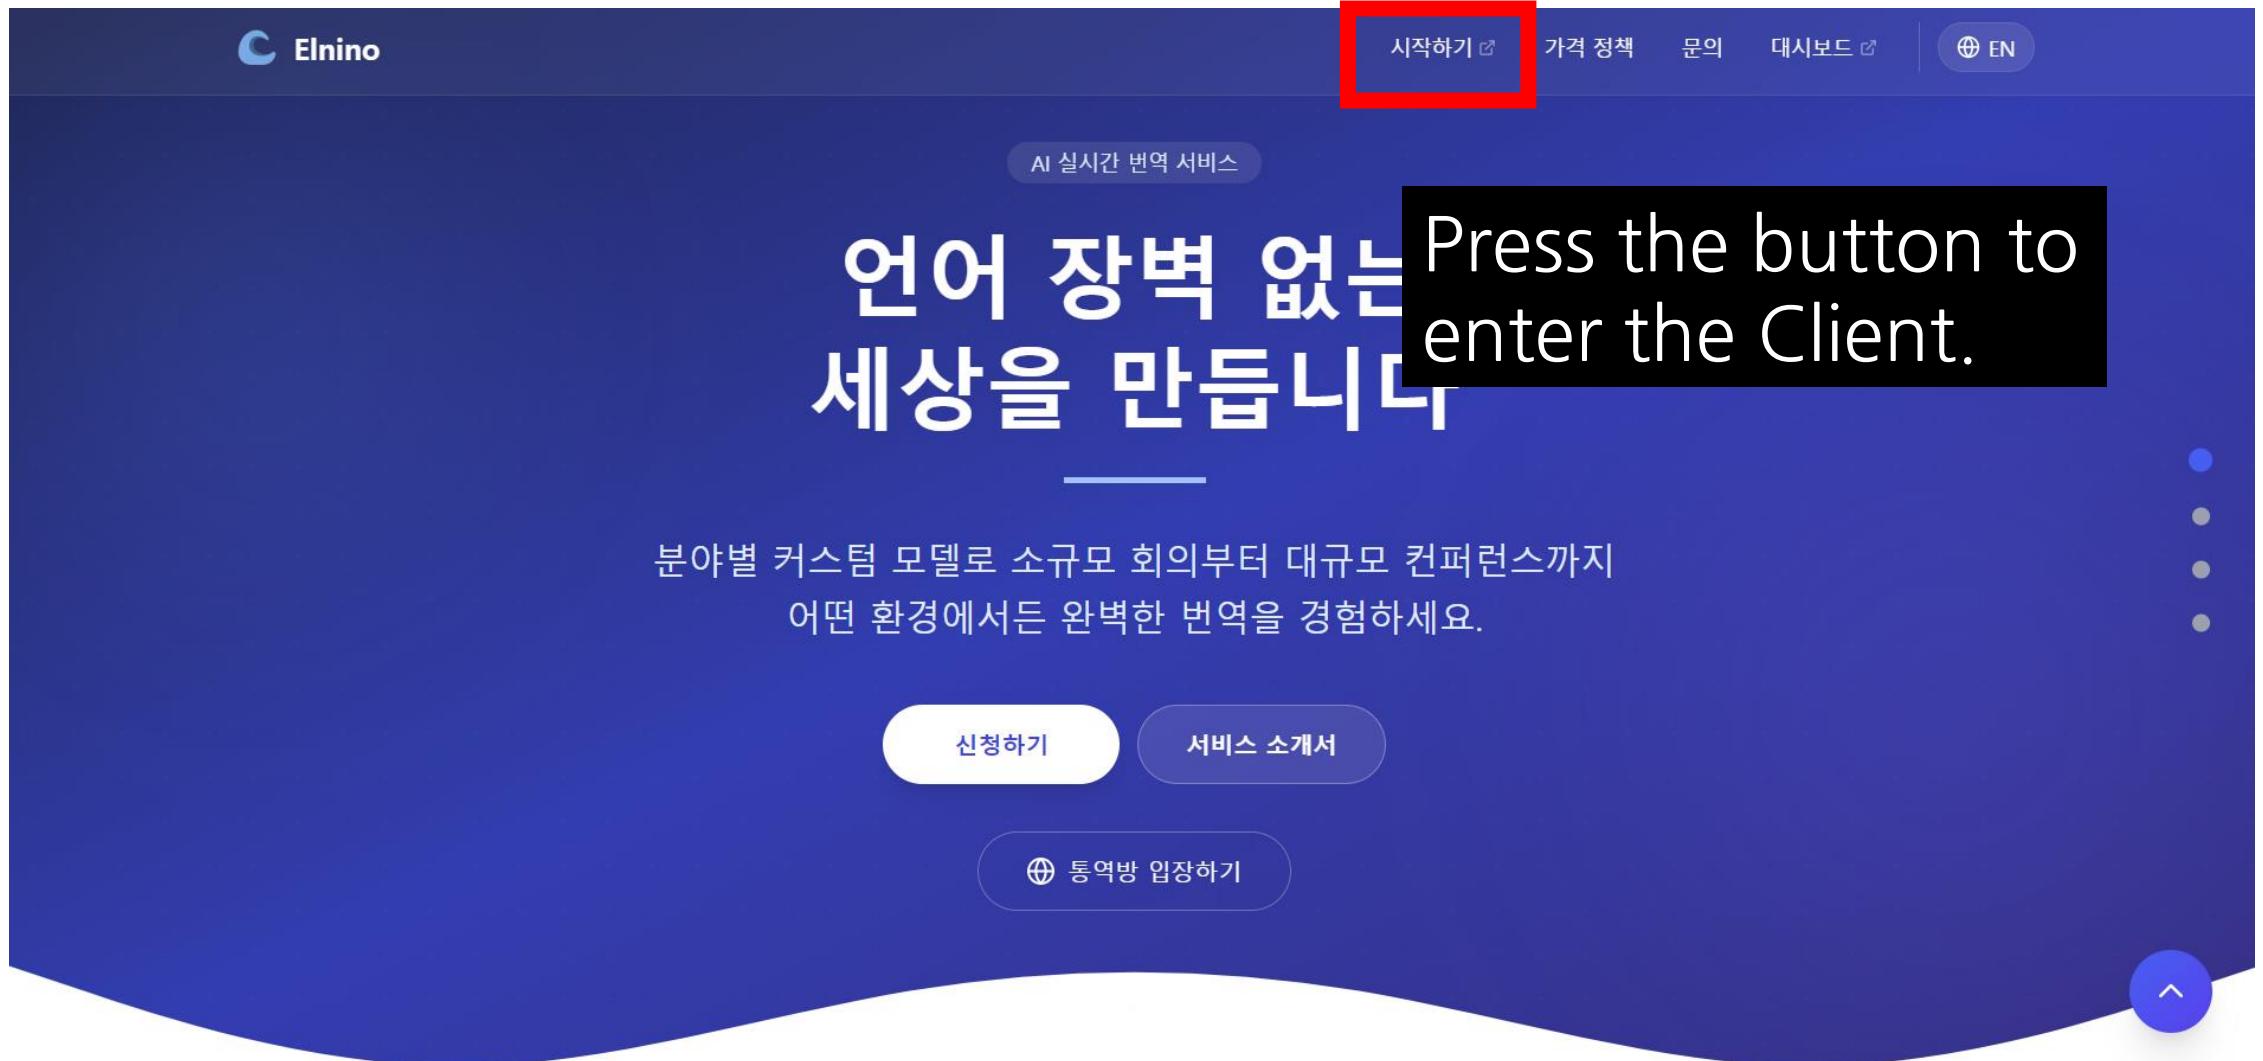

Both sent and received chats are displayed on the left as shown below, and are translated into each user's language.

The translated speaker's words are displayed as follows.

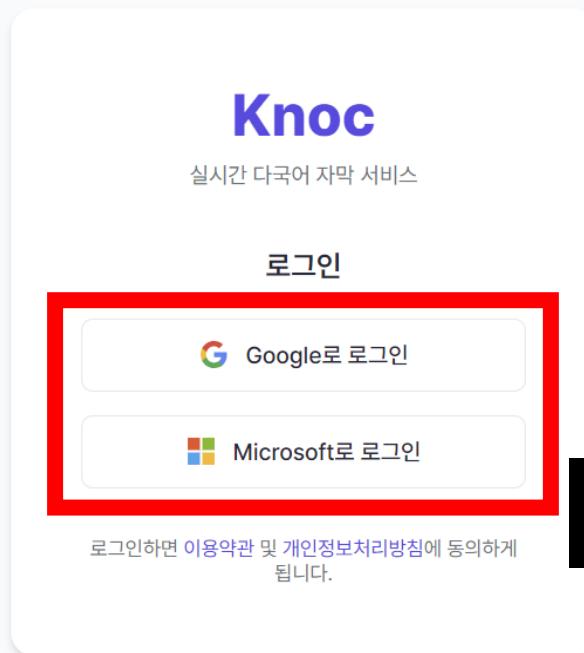

All Knoc features are recommended for use within the Chrome browser.

2-1. Speaker(PC)

All Knoc features are recommended for use within the Chrome browser.

2-1. Speaker(PC)

Press either button to log in.

All Knoc features are recommended for use within the Chrome browser.

2-1. Speaker(PC)

Select a program to translate sounds when needed.

The screenshot shows the Knoc Client interface. At the top right, there are links for '자막 페이지' (Caption Page), '김영준' (Kim Young-jun), and '로그아웃' (Logout). A large black banner at the top right reads 'Verify your team selection.' Below this, there's a section titled '팀 선택' (Team Selection) with a dropdown menu containing '[일반] kdr김경민의 팀', '[일반] 김영준의 팀', and '[일반] 김영준 팀'. The second item is highlighted with a red box. Below the dropdown is a section for '마이크 배열(디지털 마이크용 인텔® 스마트 사운드 기술)' (Microphone Array (Digital microphone using Intel® Smart Sound Technology)). In the middle left, there's a '화면 공유' (Screen Share) button with a blue background and white text, also highlighted with a red box. A message below it says '화면/탭을 공유해야 합니다. (Chrome/Edge 권장)' (You need to share the screen/tab. (Chrome/Edge recommended)). At the bottom left, there's a '볼륨 레벨' (Volume Level) section with two sliders: one for '마이크' (Microphone) set at 9% and one for '시스템' (System) set at 0%. A red box highlights this entire section. At the very bottom, there's a '방 ID' (Room ID) input field with the placeholder '방 ID를 입력하세요' (Enter Room ID) and a '다시보기' (Replay) button.

All Knoc features are recommended for use within the Chrome browser.

2-1. Speaker(PC)

The screenshot shows the Knoc Client interface on a PC. At the top, there is a logo and navigation links: '자막 페이지' (Caption Page), '김영준' (Kim Young-jun), and '로그아웃' (Logout). The main sections include:

- 마이크 선택**: A dropdown menu showing "마이크 배열(디지털 마이크용 인텔® 스마트 사운드 기술)".
- 시스템 오디오**: A section with a blue button labeled "화면 공유" (Screen Share) and a link "선택 안 함". Below it is a note: "시스템 오디오를 캡처하려면 화면/탭을 공유해야 합니다. (Chrome/Edge 권장)".
- 볼륨 레벨**: Volume sliders for "마이크" (Microphone) and "시스템" (System). The microphone volume is at 7%.
- 회의 ID**: A red-bordered input field containing "0124". Below it are buttons for "임시 QR" (Temporary QR) and "스크린" (Screen).
- 시작**: A large red-bordered "Start" button at the bottom.

A black callout box with white text is positioned over the "회의 ID" and "시작" buttons, containing the instruction: "Enter the room ID and click the Start button."

All Knoc features are recommended for use within the Chrome browser.

2-1. Speaker(PC)

The screenshot shows the Knoc Client interface. At the top, there is a logo and navigation links: '자막 페이지' (Caption Page), '김영준' (Kim Young-jun), and '로그아웃' (Logout). Below this, there are two main sections: '마이크 선택' (Microphone Selection) and '시스템 오디오' (System Audio). The '마이크 선택' section shows a dropdown menu with the option '마이크 배열(디지털 마이크용 인텔® 스마트 사운드 기술)'. The '시스템 오디오' section includes a '화면 공유' (Screen Share) button, which is highlighted with a red box. A progress bar at the bottom indicates '68%'. Two large black callout boxes are overlaid on the interface: one on the left stating 'You can display the QR code for entering the interpretation room on the screen.' and one on the right stating 'You can display the subtitle screen on computer screen.'. The 'QR' and '스크린' buttons are also highlighted with red boxes.

You can display the QR code for entering the interpretation room on the screen.

You can display the subtitle screen on computer screen.

to enter the client.

The screenshot shows the Knoc Dashboard interface. At the top left is the logo 'Knoc Dashboard'. On the right, there is a user profile with the name '김영준' and a red box around the '클라이언트' (Client) button. Below the header, a large black box contains the text: 'Upon registration, you'll be assigned to your own team as an administrator.' In the main dashboard area, there is a section titled '대시보드' with the sub-instruction '서비스 이용 현황을 확인하세요'. Below this are four tabs: '개요' (selected), '결제', '기록', and '팀 관리'. A red box highlights the '김' icon and the '김영준의 팀' card. Another red box highlights the dropdown menu '김영준의 팀 (관리자)' which is currently set to '김영준'. To the right, there is a '활성 자막방' (Active Chat Room) button. At the bottom, there is a '최근 세션' (Recent Session) section and a shopping bag icon.

Upon registration, you'll be assigned to your own team as an administrator.

You can change teams by clicking the button.

All Knoc features are recommended for use within the Chrome browser.

3. Dashboard Functions

The screenshot shows the Knoc Dashboard interface. At the top left is the logo and title "Knoc Dashboard". At the top right are user profile icons for "영준" (YOUNGJUN), "김영준" (KIM YOUNGJUN), "클라이언트" (Client), and "로그아웃" (Logout). Below the header, the main area has a title "대시보드" (Dashboard) and a subtitle "서비스 이용 현황을 확인하세요" (Check service usage status). There are four cards in a row: "0초" (0 seconds) for "사용 시간" (Usage time), "0회" (0 times) for "세션 수" (Session count), "0원" (0 won) for "예상 청구액" (Estimated bill amount), and "미등록" (Unregistered) for "결제 상태" (Payment status). A red box highlights the first two cards. To the right, a modal window titled "활성 자막방" (Active subtitle room) is shown, stating "현재 활성화된 자막방이 없습니다" (No active subtitle room) and "모바일에서 자막을 시작하면 여기에 표시됩니다" (It will be displayed here when subtitles start on mobile). A red box highlights this modal. At the bottom, there are buttons for "최근 세션" (Recent session) and "전체 보기 →" (View all →). A shopping bag icon is at the very bottom center.

You can check which subtitle rooms are active, and display the subtitle screen.

On the Overview screen, you can check your team's service usage status.

All Knoc features are recommended for use within the Chrome browser.

3. Dashboard Functions

The screenshot shows the Knoc Dashboard interface. At the top left is the logo 'Knoc Dashboard'. At the top right are user profile links: '영준' (Yeo-jun), '김영준' (Kim Young-jun), '클라이언트' (Client), and '로그아웃' (Logout). Below the header, there's a section titled '대시보드' (Dashboard) with the subtitle '서비스 이용 현황을 확인하세요' (Check service usage status). A navigation bar below has tabs: '개요' (Overview) (highlighted in purple), '결제' (Payment), '기록' (Record), and '팀 관리' (Team Management).

The main content area displays several cards. One card for 'kdr김경민의 팀' (Team) shows a purple '멤버' (Member) button. Another card for 'kdr김경민의 팀 (멤버)' shows a dropdown menu. To the right, a card for '활성 자막방' (Active Subtitle Room) shows a green '스크린' (Screen) button. This '스크린' button is highlighted with a red square box.

A large black callout box on the left side of the dashboard area contains the text: 'When the team has the subtitle room active, it will appear as follows (including on-mobile).'

A second large black callout box at the bottom left of the dashboard area contains the text: 'You can toggle a subtitle screen by clicking the button, regardless of who created the room.' The '스크린' button in the subtitle room card is also highlighted with a red square box.

At the very bottom of the page, there's a footer section with '최근 세션' (Recent Session) and '전체 보기 →' (View all →). It lists a session: '일반 peteryoung0414@gmail.com 2026/01/27 23:54' with a status of '0분 진행중' (0 minutes in progress).

When the team has the subtitle room active,
it will appear as follows (including on-mobile).

You can toggle a subtitle screen by clicking the
button, regardless of who created the room.

All Knoc features are recommended for use within the Chrome browser.

3. Dashboard Functions

The screenshot shows the Knoc Dashboard interface. At the top left is the logo 'Knoc Dashboard'. On the right, there are user profile icons for '영준' (YOUNGJUN), '김영준' (KIM YOUNGJUN), '클라이언트' (Client), and '로그아웃' (Logout). Below the header, a section titled '대시보드' (Dashboard) displays the message '서비스 이용 현황을 확인하세요' (Check service usage status). A large central box contains the text 'Check your team's card registration status.
(Only an administrator can register credit card.)'. This box is highlighted with a red border. Inside, it says '등록된 카드가 없습니다.' (No registered card) and '서비스 이용을 위해 카드를 등록해주세요.' (Please register a card for service use). A purple button labeled '카드 등록하기' (Register card) is visible. At the bottom, a '요금 안내' (Fees Guide) section shows '일반 요금' (General fees) with '0시간 이상' (Over 0 hours) and '3,900원/시간' (3,900 won/hour), and '별도 문의' (Ask separately).

Check your team's card registration status.
(Only an administrator can register credit card.)

3. Dashboard Functions

The screenshot shows the Knoc Dashboard interface. At the top left is the logo 'Knoc Dashboard'. At the top right are user profile links: '영준' (Yeo-jun), '김영준' (Kim Yeong-jun), '클라이언트' (Client), and '로그아웃' (Logout). Below the header, there's a section titled '대시보드' (Dashboard) with a sub-instruction '서비스 이용 현황을 확인하세요' (Check service usage status). A navigation bar below has tabs '개요' (Overview), '결제' (Payment), and '기록' (Records), with '결제' being active. A large central area contains two main sections highlighted with red boxes:

- 결제 카드**: Shows a registered payment card for KB Bank. The card number is partially visible as '국민 **** * * * * * * *'. A red box highlights this section.
- 요금 안내**: Displays payment plans. It includes a '일반 요금' (General Plan) section for '0시간 이상' (More than 0 hours) at '3,900원/시간' (3,900 won/hour) and a '현재 적용' (Current Application) button. It also includes a '계약 요금' (Contract Plan) section for '별도 문의' (Consultation required) regarding '학교, 기업 등 계약 요금은 계약 신청을 해주세요.' (For school, company, etc., contract rates, please apply for a contract). A blue box highlights this section.

One registration, the screen will be displayed as follows, and the team can begin using the service.

You can view your team's payment plan.

All Knoc features are recommended for use within the Chrome browser.

4. Invitation Link

The screenshot shows the Knoc Dashboard interface. At the top, there's a navigation bar with the Knoc logo, user profile (영준), and links for 김영준, 클라이언트, and 로그아웃. Below the navigation, a large button labeled '대시보드' (Dashboard) is visible. On the left, there are several cards: '팀 멤버' (Team Member) showing a member named 김영준 (관리자) with the email peteryoung0414@gmail.com; '계약 신청' (Contract Application) with a note about getting services at lower prices; and '기관/팀명 *' (Organization/Team Name *). A central modal window titled '멤버 초대' (Member Invite) contains the text '아래 링크를 복사해서 초대할 멤버에게 전달하세요.' (Copy the link below and share it with the member you want to invite.) followed by a redacted URL: [https://cloud.elnino.kr/invite/s5\[REDACTED\]bBOLnwZq4kV9nD-c-kJPxlcE](https://cloud.elnino.kr/invite/s5[REDACTED]bBOLnwZq4kV9nD-c-kJPxlcE). There are two buttons at the bottom of the modal: '링크 복사' (Copy Link) and '닫기' (Close). A red box highlights the URL field. To the right of the modal, a large black overlay box contains the text 'Accessing this link will register you as a team member.'

Accessing this link will register you as a team member.

All Knoc features are recommended for use within the Chrome browser.

4. Team Administrator

The image shows a screenshot of the Knoc Dashboard. At the top left is the Knoc logo and "Knoc Dashboard" text. To the right is a user profile with a purple circular icon, the name "영준 김영준", and links for "클라이언트" and "로그아웃". Below the header is a navigation bar with a purple circular icon, the email "peteryoung0414@gmail.com", and a search bar placeholder "Knoc 검색". The main content area has a title "계약 신청" (Contract Application) with a purple circular icon. It includes a sub-instruction "학교, 기업, 단체 등 계약을 통해 더 저렴한 요금으로 서비스를 이용하실 수 있습니다.". A large red rectangular box highlights the first three input fields: "기관/팀명 *", "담당자 이름 *", and "담당자 연락처 *". Each field has a placeholder: "기관 또는 팀명을 입력하세요", "담당자 이름을 입력하세요", and "전화번호 또는 이메일". Below these is a "추가 메시지" section with a placeholder "문의 사항이나 예상 사용량 등을 적어주세요". At the bottom is a purple "신청하기" button.

Team administrators can change the payment plan from a pay-as-you-go plan to a fixed-rate plan through a contract application.

All Knoc features are recommended for use within the Chrome browser.

Thank You.
